

WHAT WE DO

- Promote the mission, vision and academic opportunities of the Purdue Polytechnic Institute.
- Encourage awareness and appreciation of diversity.
- Provide opportunities for the retention and success of all Polytechnic students.
- Implement engagement and outreach activities for students to explore Polytechnic degrees.

EVENTS AND OPPORTUNITIES FROM THE OFFICE OF RECRUITMENT, RETENTION AND DIVERSITY

🔍 CURIOUS ABOUT THE POLYTECHNIC? WE'D LOVE TO MEET YOU!

Learn more at an **information session!**
polytechnic.purdue.edu/visit

Tour our labs and discover the 30+ majors we offer.

👍 ADMITTED TO THE POLYTECHNIC - NOW GET A JUMP START ON COLLEGE!

Experience campus on **Admitted Student Day!**
polytechnic.purdue.edu/admitted

During this highly interactive day, you and your guests tour our departments and labs, sample lunch from Purdue's award-winning dining facilities, meet current Polytechnic students and learn about study abroad opportunities.

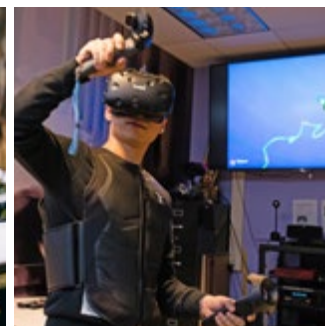

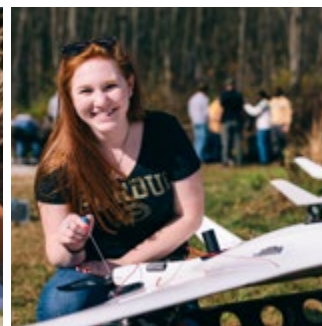

Get a head start on college with our **STEM summer session!**
polytechnic.purdue.edu/camps/STEM

For incoming first-year Polytechnic students, this five-week summer session creates a unique opportunity to get acclimated to college life and earn college credit before classes start in the fall.

🚀 JR/SR HIGH SCHOOL EXPERIENCES - EXPLORE YOUR FUTURE!

Interactive experiences designed to give junior and senior high school students an introduction to technology-focused degrees and careers!
polytechnic.purdue.edu/camps

We host multiple camps each year, ranging from a few hours to a few days, to help students in grades 8-12 explore technology-focused careers with hands-on learning experiences.

CURRENT STUDENT RESOURCES

WELCOME WEEK

Join us during the first week of the fall semester for free food and fun activities. Learn about student groups, cultural centers and recreational sports, and meet our team!

polytechnic.purdue.edu/welcome-week

TECHNOLOGY SEMINARS

- TECH 100: An introduction to strategies and support services that can help students succeed in college.
- TECH 101: Real-world insight from women employed in technology-related fields who share their personal stories.

STUDY BREAKS

Take a break from studying for final exams with snacks and relaxing activities before final exams.

LEARNING COMMUNITIES

Extend your interests and connections beyond the classroom.

purdue.edu/learningcommunities

STUDENT ORGANIZATIONS

Purdue is the proud home of more than 1,000 student groups and clubs. Find your fit with other students who share your interests!

polytechnic.purdue.edu/studentlife

ACADEMIC SUPPORT

B.E.S.T. – Building Excellence for Students in Technology – provides free, one-on-one tutoring from Polytechnic students who already have achieved academic success in the same courses.
