The student is ultimately responsible for knowing and completing all degree requirements.

MyPurduePlan is knowledge source for specific requirements and completion.

- Purdue policy states that a student may attempt registration in a course no more than three times. An attempt is defined as all courses displayed on a student transcript having grades of (including, but not limited to) A, B, C, D, E, F, W, WF, I and IF.
- 120 semester credits required for Bachelor of Science degree.
- 2.0 Graduation GPA required for Bachelor of Science degree.
- NOTE: Students must take 32 credit hours of 30000 or 40000 level classes while a PURDUE student – at the Purdue location conferring the degree, this is REQUIRED.
