

BOWEN SCHOOL OF CONSTRUCTION

INDUSTRY READY, DAY ONE

Bowen School of Construction

Embark on a transformative journey with the Bowen School of Construction. Our programs, centered on the built environment, delve into designing and operating facilities. With a hands-on approach guided by experienced professors, we emphasize key business concepts and leadership for the high-tech construction world. Together with our Construction Advisory Council, we stay ahead in educational relevance. Our dedication ensures *graduates are industry ready, day one.*

MAJORS

B.S. Construction Management: Master leadership and business skills for construction management roles. Acquire hands-on experience with advanced technology. Study commercial, industrial, and residential construction. Choose a specialization or general focus.

📍 *Offered in West Lafayette and Indianapolis.*

Jobs: *Project Manager, Field Engineer, Superintendent, Project Engineer*

B.S. Design and Construction Integration: Integrate a love for architectural design with strong communication skills to expertly navigate and manage the intricacies of the built environment.

Jobs: *Quality Engineer, Design Manager, Project Engineer, Preconstruction Manager*

B.S. Interior Architecture: Blend art, technology, construction and design to create indoor spaces that are both beautiful and functional. Build a strong foundation in practical skills and design methodology to support the health, safety and welfare of people in residential and commercial spaces through hands-on learning and real-world projects.

📍 *Only offered at Purdue Indianapolis.*

Jobs: *Interior Designer, Project Manager, Lighting Designer, Space Planner*

B.S. Virtual Design and Construction: As the nation's first bachelor's degree in virtual design and construction, this program prepares students to use digital modeling, BIM, reality capture and emerging technologies to plan, coordinate and improve complex construction projects before they are built.

Jobs: *Building Information Modeling Manager, Virtual Design and Construction Engineer, Design Engineer, Digital Construction Manager.*

GRADUATE PROGRAMS

M.S. Construction Management
(Onsite in West Lafayette or Online)

M.S. Technology
(Onsite in Indianapolis)

Certificate Executive Construction Management
(Online)

Ph.D. in Technology
(Onsite in West Lafayette)

HIGH DEMAND JOBS

INCREDIBLE STUDY ABROAD OPPORTUNITIES

PROJECT-BASED LEARNING IN STATE-OF-THE-ART FACILITIES

REAL-WORLD CAPSTONE EXPERIENCES PREPARE YOU FOR SUCCESS

99%
PLACEMENT RATE

"If it hadn't been for Purdue and the DCI major, I wouldn't have discovered my passion for 3D modeling and construction. My internship experience and familiarity with industry software made me uniquely qualified and prepared for job interviews. The faculty are extremely helpful, passionate and genuinely want to see students succeed."

Purdue Polytechnic is a leading academic college at a world-class university that embraces the connection of people of diverse backgrounds, experiences, and thoughts, and leverages innovative learning methods, real-world experiences, and industry partnerships to produce graduates uniquely qualified for technology-driven careers.

To further its mission, Purdue Polytechnic extends beyond its main campus in West Lafayette and Indianapolis, with nine strategically positioned locations throughout Indiana. These sites, tailored to their communities' needs, allow students to pursue technology careers while remaining locally connected. This network reflects Purdue's commitment to statewide educational excellence, offering diverse, real-world learning opportunities.

** Majors in the Bowen School of Construction are only offered in West Lafayette and Indianapolis.*
