# *CONSTRUCTION MANAGEMENT*

## **Blend of Technical Construction Knowledge and Management Principles**

At Purdue University in Indianapolis, the Construction Management major in the Bowen School of Construction integrates technical, business, and leadership skills to prepare students for careers in construction management. Guided by our Construction Advisory Council, the program continually evolves to meet industry needs—ensuring graduates are ready for today's challenges and tomorrow's opportunities.

## **Curriculum: Comprehensive Coverage, Real-World Relevance**

Our BS in Construction Management covers every stage of a construction project—from materials and methods to estimating, scheduling, safety, and project management. Courses are led by expert faculty with deep industry experience, ensuring students gain both foundational knowledge and real-world insight.

- Project-based learning in a state-of-the-art facility
- Guest lectures by industry professionals
- Real-world capstone project with industry mentor
- Site visits; project sites, testing, and suppliers

## Strong Industry Connections

We partner with leading construction companies to help students launch their careers.

- Meet hundreds of employers at construction-focused career fairs
- Get personalized support through Purdue's career services and advising Career Pathways

## Career Pathways

Graduates are prepared to lead and excel in roles such as:

- Project Manager
- Field Superintendent
- Project Engineer
- Field Engineer

## Top Employers, High-Demand Careers

Our graduates are hired by leading construction companies, including:

Wilhelm, Shiel Sexton, Hagerman, Bowen, Pepper, Turner, Messer, Meyer Najem, The Garrett Companies, Milestone, Walsh, Taylor Brothers, T&W, Kokosing, Custom Living, Kennmar, United Consulting, and Geiger & Peters.

“

*The CM program at Purdue University in Indianapolis helped me grow as a construction professional while gaining real-world experience. From career fairs and student orgs to industry competitions and hands-on learning, this program opens doors. The faculty go above and beyond to support every student's success.*

**BEN ENGELS**

“

*My time in the Construction Management program has been an incredible journey of academic growth and hands-on learning. The coursework is directly relevant to what you'll face in the industry, and the professors go beyond teaching—they've been true mentors, offering guidance and support throughout my academic and professional journey.*

**JACQUELIN FIGUEROA**

“

*The tight-knit culture and personalized attention from faculty truly made a difference. They were not only knowledgeable but genuinely invested in my success. Being in Indianapolis gave me access to industry connections that shaped my career."*

**AUSTIN YOUNG**  
PROJECT MANAGER

# WHY PURDUE IN INDIANAPOLIS – WHAT OUR RECENT ALUMNI ARE SAYING!

*"The tight-knit culture and personalized attention from faculty truly made a difference. The faculty were not only knowledgeable but genuinely invested in my success. The urban environment provided access to numerous industry connections, which played a key role in shaping my career."*

AUSTIN YOUNG  
PROJECT MANAGER

*"If not for the program and faculty at Purdue Indy I would not have had the opportunity to work while being a full-time student. Indianapolis Construction is booming, and Purdue Indy provides abundant resources. Companies routinely come to Purdue Indy seeking students because of the knowledge and experiences students gain from the program. The Construction program at Purdue Indy laid the foundation for my success."*

CASSIDY MARSHALL  
ASSISTANT PROJECT MANAGER

*"Purdue Indianapolis created the opportunity for me to gain valuable construction management work experience during the school. Upon graduation, I already had three full years of experience to add to my resume."*

SPENCER JOHNSON  
PROJECT ENGINEER

*"I chose Purdue Indianapolis for its smaller class sizes, which offered more one-on-one time with professors. This personalized attention, combined with Purdue's strong academic program, helped enhance my knowledge in the construction industry and supported my future career."*

SAM DEVAZIER  
ASSISTANT SUPERINTENDENT

*"I chose Purdue Indianapolis because of the strong connection with faculty and classmates. Faculty at Purdue Indianapolis have a wealth of real-world experience and are passionate about what they teach."*

**JERIN MEREDITH**  
**PROJECT ENGINEER**

*"I chose Purdue Indianapolis to have the ability to commute to campus and have a flexible class schedule. This allowed me to start interning within the industry not only during the summer, but also throughout the school year."*

**ASHLY RIEMAN**  
**PROJECT MANAGER**

*"I chose Purdue Indianapolis, because it offered a great resource for getting my foot in the door to industry. Purdue Indianapolis has a great school schedule that allows you to work part time at construction companies while continuing your schooling."*

**JACKSON BECKMAN**  
**DIRECTOR OF OWNER'S REPRESENTATION**

*"I cannot say enough good things about the Construction Management program at Purdue Indianapolis. Through the program, I gained a working knowledge of all aspects of the construction industry. I can definitively say my education prepared me for a successful start in the construction industry."*

**ANTHONY GIANNAMORE**  
**PROJECT MANAGER**

*"A couple of things really mattered to me; academic fit, location, and being able to work throughout college. The opportunity to get a Purdue degree in the 16th largest city in the country was an opportunity I couldn't pass up. Indianapolis is flooded with top tier, successful, and reputable companies. The curriculum did a wonderful job of preparing me for the real world. I felt so equipped to step into the industry."*

**ALEX MILLER**  
**DIRECTOR OF BUSINESS DEVELOPMENT**
