**\*Free Elective available for CNIT Major Only**

**\*\*May apply for credit**

**To avoid taking Advanced Placement classes that may not transfer into degree-progressing credits, please note the following:**

**Free Elective:** 3 credit hours required for CNIT majors only

**Humanities :** 3 credit hours required for all CIT Program majors

**Behavioral/Social Sciences :** 3 credit hours required for all CIT Program majors

**Science Selectives:** 6-8 credit hours required all CIT Program Majors (At least 3 credits must be in a Lab Science)

**Earning 3's in certain subject areas may earn some undistributed credit but may not be eligible for free elective. Ask your advisor.**

**The information above is effective for students who first enroll at Purdue West Lafayette after March 1, 2011. AP transfer credit criteria are subject to change without notice.**
