Policies and Procedures

ATTENTION PARENTS/GUARDIANS AND STUDENTS: This document provides an overview of the policies and procedures affecting participation in Purdue's Polytechnic Institute DOiT for 11th grade women High School Students (the "Program"). As described below, high school students enrolled in the Program ("Participants") are required to comply with Purdue policies referenced herein as well as particular Program rules set forth specifically in this document.

Because Participants are minors, both students and their parents/guardians are responsible for reading and understanding the contents of this document as well as the policies and procedures referenced herein. Read this entire document carefully then sign and return the signature page only.

Section I: Student Conduct Regulations

Participants are subject to, and must comply with, Purdue's established [Student Regulations](#).

Participants must adhere to Purdue University's [Anti-Harassment Policy](#), [Equal Opportunity and Equal Access Policy](#) and its [Non-Discrimination Policy Statement](#). All participants must be familiar with the rights, responsibilities and resources that are available on the Purdue campus related to [Sexual Violence](#).

Purdue has [strict policies](#) against the possession, purchase, distribution, manufacture, sale or illegal use of alcohol and other drugs on campus. Participants who violate these policies will be dismissed from the Program and could face additional sanctions including ban from campus and arrest. *Note: Participants could be found in violation of Purdue's Alcohol and Other Drug Policies if they are "present" or "in attendance" in rooms or other areas in which the policies are violated regardless of whether they illegally possess or consume alcohol or drugs.*

Purdue University [is a smoke-free](#) campus. Smoking (including cigarettes, cigars, pipes, e-cigarettes or any other device used to burn tobacco or other like substances or to vape) is prohibited on University property including buildings, sidewalks, and parking areas.

It is each Participant's responsibility to familiarize themselves with the policies and procedures governing their participation in the Program. The Program will provide an orientation to these rules, and staff members are available to discuss them as questions arise.

NOTE: The Program has a zero-tolerance policy related to Participant involvement in alcohol, drugs, and other illegal behavior. Participants found responsible for violating the Code of Student Conduct due to alcohol and/or drug possession or other illegal behavior will be dismissed from the program and prohibited from any presence on Purdue owned, operated, or controlled property.

Procedures for Resolving Complaints of Discrimination or Harassment

Participants accused of violating the university's [Anti-Harassment](#) and/or [Equal Opportunity/Equal Access](#) and Affirmative Action, including allegations of sexual harassment and sexual violence, will be handled in accordance with the University's [Procedures for Resolving Complaints of Discrimination or Harassment](#).
