

DOiT Program
March 5-7, 2020

To ensure that you have the best experience at DOiT, we have compiled a packing list of items that we suggest you bring to camp. All DOiT participants will receive standard meals plus some snacks (highlighted in green on agenda), all of which are covered in the registration fee. Additional snacks or other items (souvenirs, etc.) are purchased at the expense of the participant.

Please be reminded that DOiT is a three-day, two-night residential camp that will include a good deal of walking for participants. Please pack comfortable walking shoes and warm clothes for three days. Below are a few additional items that you may need for your stay. This list is not exhaustive.
