for international applicants. Purdue provides application fee waivers for participants in the listed programs [here](#).

Academic Statement of Purpose The Academic Statement of Purpose is an opportunity for you to share information that will help reviewers understand your academic interests and objectives, assess your academic background, preparation, and training, and determine if you are a good match for the program to which you are applying. A statement, not exceeding two pages in length, is encouraged.

Personal History Statement The Personal History Statement helps reviewers learn more about you as a whole person and as a potential graduate student. This may include relevant details on community service, leadership roles, participation in diverse teams, and significant barriers that you overcame to attend graduate school.

Three **Letters of recommendation** are required for all applicants. The best letters you can secure are those from former or current employers, co-workers, colleagues, tutors and other mentors. Never ask family members or close friends. You will have the opportunity to have your recommenders submit an online recommendation by entering their email within the application.

Submit an official transcript for *every* college or university attended. In addition to the transcript(s) you will upload to the application, you must also submit either a hard-copy to the address listed below or an e-transcript (sent by the University's Registrar e-parchment services) to gradadm@purdue.edu.

- Transcripts not written in English must be submitted with a certified English translation
- Uploaded documents must be from the official version of the academic record/transcript.
- Social Security numbers must be marked out before any document is uploaded.
- If degree/date awarded not listed on transcript, a copy of the original diploma must be made and verified by one of the following: the institution that issued the diploma, the employer, an official such as a lawyer (notarized), or an upper level financial institution employee (notarized). The verifier must write "This is a true original copy of the diploma for (applicant's full name)" on the copy, and include their name, title, phone, and email address on the copy. The copy **cannot** be faxed or sent over email, it must be mailed to the graduate program.

Your **resume** should provide the admissions committee with more information than what's included in the application and focus on what they need to know to better evaluate your admission. The graduate resume is different than a job search resume. Job search resumes are designed to get you an interview; graduate school resumes are designed to enhance your application and provide yet another opportunity to sell yourself.

- The resume is not limited to one-page in length (two pages is fine, though contact info must be on both pages)
- Separate your work and non-work experiences into different sections
- Include all your experiences – not just the ones targeting a specific job
- Some of the most commonly included categories in a graduate school resume are:
 - Objective
 - Education
 - Academic Experience/Highlights
 - Employment
 - Volunteer, Community, and/or Extra-Curricular Involvement
 - Certifications/Professional Development

International degree-seeking applicants whose native language is not English are required to submit proof of English proficiency. The Graduate School accepts the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) scores for admission. View the Graduate School's [minimum score requirements](#). The Graduate School will routinely waive the English proficiency requirement for applicants who have received a degree within the last 3 years from a school where English is the primary language of instruction in one of the recognized [English speaking countries](#). **Note:** If you have not done so already, request that ETS send your scores electronically to the Purdue University West Lafayette campus using code 1631.

You may check the status of your submitted application by logging into your [online application](#). We will keep you updated as any items arrive.
