

How to Change Application from Purdue West Lafayette to Polytechnic Columbus

Purdue Polytechnic Columbus is an extension of Purdue West Lafayette meaning that the programs we offer are exactly the same as those offered in West Lafayette. We require students to follow the same plan of study, take the same classes, and meet the same requirements as those on the main campus. They are Purdue University students and receive the same Purdue degree and transcript as students attending the West Lafayette campus. We are NOT affiliated with IUPUC.

Students should follow the steps below if:

- The student applied to Purdue West Lafayette, was offered a regional campus, and wants to be reconsidered for admission to Purdue Polytechnic Columbus.
- The student would like to be considered for admission to Purdue Polytechnic Columbus but completed The Common Application.
