MyPurdue Futures Registration Meeting

for Summer and Fall 2014

Things to grab before we start:

Grab a copy of your Plan of Study from the front.

- Look over and review the Plan of Study.
- Make certain that you want to be on this Plan of Study
- Make sure you have Advisor Schedule Recommendation form (Form 23A).
- Write the Summer/Fall 2014 classes (including approved summer transfer courses) on the one Form 23A & you must meet prerequisites
- Write the PIN number that is on your plan of study on the bottom of the Form 23A.
- **IN the NOTES write on your Advisor Schedule Recommendation form (Form 23A) any corrections to plan of study or additional comments in the notes.**

You should have reviewed online:

- Registration Meeting Presentation
- List of CNIT classes for Fall 2014 (this is the tentative list of courses)

If you are a Candidate, please check the candidate box at the bottom right hand corner. This means you are to graduate.

About the *myPurdue* Registration

- Purdue implemented *myPurdue* for student course registration.

- *myPurdue* gives you, the students, the responsibility of scheduling **your own** individual classes for the upcoming semester.

- This will require future preparation from you before your scheduling time becomes available, to make the process easier for all.

Important Information You Will Need to Know Before You Register

- **Your Registration Window Dates and Times are available soon if not NOW.**
  - **You should receive an email from the Registrar.**

- **You may now go in to view your time ticket through _myPurdue_**
  - Log into your _myPurdue_ account
  - Click on the "Academic Tab"
  - On the Left hand side, you will see "Registration Status"
  - Click on this and you will have dates and times listed of your time block in which you are to log in and register for your classes.
  - If you miss your time ticket, you must wait until the end of registration to register for the classes you want.

Summer and Fall Registration Windows

	Summer and Fall 2014
Priority Groups **ROTC, Athletics, Honors, and Disability**	Tuesday, March 25 - Saturday, March 29, 12pm
Seniors	Monday, March 31 - Saturday, April 5, 12pm
Juniors	Monday, April 7 - Saturday, April 12, 12pm
Sophomores	Monday, April 14 - Saturday, April 19, 12pm
Current Freshmen	Monday, April 21- Saturday, April 26, 12pm

Important Information You Will Need to Know Before You Register

- **Your PIN # - VERY VERY IMPORTANT!!!!**

- Located on the bottom of your Plan of Study in front of you

- **PLEASE put this number into your phone or in your Mortar Board!** ☺
  - The point is…. **DO NOT LOSE THIS** or you will not be able to register.

  You will receive a new PIN number every registration.

Important Information You Will Need to Know Before You Register

- **Summer 2014 courses are now listed on myPurdue**
  - The Fall 2014 courses and their meeting times will be listed on *myPurdue on or before March 17*

  - When you register for a lecture, **make sure you also register** the required linked section (lab or recitation) that goes with it!

  - **Tip: Make a grid for a week and plug in your classes and their meeting times to help see what times work best for you schedule or use scheduling assistant as available.

Important Information You Will Need to Know Before You Register

- **CRN #'s**
  - You will need to know the CRN #'s that correlate with each class in which you would like to take when you register.

  - ****REMINDER:** Labs and Recitations are linked to some lectures and have their own CRN #'s. You will need all of these in order to register.

Important Information You Will Need to Know Before You Register

- **FORM 23's**
  - These are necessary for some course overrides.

  - Fill these out and complete them with <u>ALL</u> necessary information, including CRN's and any signatures that are needed from Instructors.

  - Form 23's need to be completed with the appropriate Instructors signatures and given to your advisor before you register. This is **VERY** important so we can put in any overrides and check all pre-requisites.

CIT Pilot Course Sheet

- Please make sure and check the Pilot Course list.

- This will tell you whether the course listed <u>fulfills</u> a:
  - NET Selective
  - or a NET Info. Systems Selective (NET/IS).

- Be sure you select the appropriate course that fulfills what you need on your Plan of Study.

- Also, check the Pre-Requisites for the course and whether it needs a signature from the Instructor.
  - If you need Consent from an Instructor, you will need to complete a Form 23 and return to your advisor.

Pre Requisite Handout

- Please note that there have been changes to the Pre-Requisite sheet. Example ECET 37400.
    - The Stat pre-req has been dropped for ECET 37400 but you must complete all other pre-reqs for this class NO EXCEPTIONS

    (You are still required to take Stat for your plan of study in order to graduate)

    If you have taken ECET 21400, then take a *substitute for ECET 23300.

    *Substitute= any CNIT class 300 level or above

    If you have not taken ECET 21400 prior to fall 2012 then you must take ECET 22400 (*ECET 22400 has replaced ECET 21400).

- Make sure to look at the "Offering" column to see if the course is offered in the Fall or Spring **OR** if it is No Longer Offered.

- Example: CNIT 45500 will be offered only for Fall.

Distance Learning Courses

- **Please note on your registration sheet if you are wanting to take a Distance Learning course**.

- Purdue offers Online courses that do not require Form 23's and you may sign up for them through *myPurdue*.

- Distance Learning courses are offered by other Universities as well. A list of these courses is available on the ICN website: https://www.distance.purdue.edu/courses/ICN.asp

  - These courses will require a completed Form 23 signed by Linda or Angie and must be turned into the Distance Learning Office located in Stewart Rm G59

Study Abroad

- You will be able to register yourselves for Study Abroad courses during your registration time on _myPurdue_.

- Before you can do this, you must be approved by the Study Abroad Office prior to registration.

- If you have been approved to Study Abroad through the Study Abroad Office, you will need to submit a "_Registration Confirmation Form_" to them in **YOUNG Room 105.**

- **Study Abroad In Peru $250 deposit due March 3.**

Minors

- If you are completing a Minor it is **your responsibility** to take the correct courses to complete. Write this minor on your form 23 A

- If you are on the Fall 2013 plan of study you are allowed to use your minor towards the Interdisciplinary Selectives.

- Minors are entered by your advisor, so be sure to tell your advisor.

- Make sure to monitor your GPA for the courses you are taking to complete your minor.
  - Many minors, if not all, require a minimum GPA requirement necessary to complete their minor.

- Please check *myPurdue* and see if your Minor is listed.
  - If not, or you are wanting to cancel your minor, write that on your form 23A.

Management 20010

- Management 20010 (Business Accounting) will be offered in the Summer and Fall.

- However, Students who are getting a Management Minor **MUST** take Management 20000 Introductory Accounting.

Math

- MA 223- this is the last semester offered. You will need to take MA 16010- if failed this spring.
- To take MA 16010 you will need to score higher score on the ALEKs test than needed for MA 223 so you may need to study and retake ALEKS before you can register for it.
- MA 224 will be offered summer and fall for those in MA 223 sequence. If failed in fall, you will need to take MA 16020 in the future.

OLS Courses

- You will not be allowed to sign up for OLS courses until open registration.

- You must list on your Form 23A the OLS course number. We will send these to the OLS advising office.

- OLS 38600 will only be offered to OLS students until August.

- OLS will add the override for OLS 37500,37600, 38600,47700, 48400.
  - You must meet the pre-reqs listed on the selective and override help sheet

- In the mean time, sign up for another Business Economic Selective (NET) or Interdisciplinary Selective (IS).

Overrides

- **Some courses require Overrides**
  - ****see selective and override help sheet**
  - **Pre-Req Overrides**
    - STAT 22500
      - If you took math 22100 and 22200 you will need a Pre-Requisite Override
      - We recommend you take STAT 30100***
  - **College Override**
    - Some colleges will require an override for students not in their college to take their courses.
      - These colleges include:
        - Some management courses
        - OLS courses
        - Some OBHR courses
  - **Credit Hour Override**
    - If you are planning to take **more than 18 credit hours** for the semester, we will need to put in an override to allow you to do so.
    - Please indicate this on the "Advisor Schedule Recommendation" Form

Overrides

- **Other overrides include:**

  - **<u>Professor Permission </u>Override for CNIT 499 courses**
    - **See Pilot Sheet**
  - A signature from the Instructor is **<u>necessary</u>** for some courses
  - Fill out a Form 23 with the CNIT 499 course and CRN along with the Instructor's signature and turn into your advisor before your registration.

  - **<u>Time Conflict </u>Override**
  - If there is a time overlap of courses, it may be possible to get an override with the **permission and signature of the Instructor** whose course is overlapping. Form 23 must be signed and turned into your advisor.

Overrides

- Please make sure that before you ask your advisor for an override of any kind, and that you meet <u>ALL</u> the necessary Pre-Requisites for the course.

- If you write down a course on the form 23 that you have not met all the Pre-Requisites for you will not be able to sign up.

Override Requests

- All override requests must be turned into your advisor at least **48 hours prior** to when you are able register. This is important because you will not be able to register for the classes you want unless we have put in the override request

  - This gives us time to put the override in the system before you have the chance to register so there are no problems.

Updated Changes to the NET POS - for students beginning prior to Fall 2013- Revised 2/10/14
