

# MyPurdue Registration Meeting

for Summer & Fall 2015

# Things to pick up before we start:

**Pick up your Plan of Study from Amy, Taylor, Denisse, Jacqueline or Shavonne.**

- Look over and review the Plan of Study.
- Make certain that you want to be on this Plan of Study.
- Make sure you have an Advisor Schedule Recommendation form (Form 23A).
- Write the Summer and Fall 2015 classes on the one Form 23A . **You must meet prerequisites.**
- Write the PIN number that is on your plan of study on the bottom of the Form 23A.
- **In the NOTES write on your Advisor Schedule Recommendation form (Form 23A) any corrections to plan of study or additional comments.**

**You should have reviewed from the CIT Announcements:**

- Registration Meeting Presentation
- List of CNIT classes for Summer and Fall 2015 (this is the tentative list of courses)
- Scheduling Handouts that include the Pre-Requisite List and Override Help Sheet.

**If you are a Candidate, please note this on your Form 23A along with the semester you plan to graduate (SS15 or F15).**

# Welcome!

# Registration Meeting Objectives

- Seniors Declare Candidacy!
- List courses you plan to take.
  - If you need a COM Selective, it is ok to write down only COM Selective and choose the specific course later.
  - Advisors verify courses are needed are your plan of study and enter overrides needed.
- We will then know the demand for the CNIT courses offered and can adjust course limits prior to registration.
- You have the opportunity to let us know if there are conflicting times for CNIT courses you would like to take together.

# About the myPurdue Registration

- You will be registering for your classes through myPurdue. The summer 2015 schedule is available on myPurdue now, fall 2015 will be available by March 16.
- myPurdue gives you, the students, the responsibility of scheduling **your own** individual classes for the upcoming semester.
- This will require preparation from you before your scheduling time becomes available. This will make the process easier for all.

# Important Information You Will Need to Know Before You Register

- **Your Registration Window Dates and Times will be available, Monday March 9. Check this ASAP on Monday.**
  - You should receive an email from the Registrar.
  - Priority Groups have been notified and will register early!
- **To view your time ticket through myPurdue**
  - Log into your myPurdue account
  - Click on the "Academic Tab"
  - On the Left hand side, you will see "Registration Status"
  - Click on this and you will have dates and times listed of your time block in which you are to log in and register for your classes.
  - If you miss your time ticket, you must wait until the end of registration to register for the classes you want.

# Summer/Fall Registration Windows

Registration Group	Summer/Fall 2015
Priority Groups - ROTC, Athletics, Honors, PMO, and Disability ( <b>watch your email for an eligibility reminder</b> )	Tuesday, March 24- Saturday, March 28, 12 noon
Seniors	Monday, March 30- Saturday, April 4, 12 noon
Juniors	Monday, April 6- Saturday, April 11, 12 noon
Sophomores	Monday, April 13- Saturday, April 18, 12 noon
Current Freshmen	Monday, April 20- Saturday, April 25, 12 noon

# Important Information You Will Need to Know Before You Register

- **Your PIN # - VERY VERY IMPORTANT!!!!**
  - Located on the bottom of your Plan of Study that you received tonight.
  - **PLEASE put this number into your phone or in your Mortar Board! 😊**
    - **DO NOT LOSE THIS or you will not be able to register.**
- \*\*You will receive a new PIN number every registration.\*\****

# Important Information You Will Need to Know Before You Register

- **CRN #'s**

- You will need to know the CRN #'s that correlate with each class in which you would like to take when you register.

- **Some** lectures require that you register for a required linked section (lab, recitation, or PSO) that goes with it!

- \*\***Tip:** When the fall schedule posts, use Scheduling Assistant to quickly create a workable schedule.

# Important Information You Will Need to Know Before You Register

- **FORM 23's – Available tonight & at the CIT Advising Offices on the bulletin board**
  - These are necessary for some course overrides.
  - Fill these out and complete them with ALL necessary information, including CRN's and any signatures that are needed from Instructors.
  - Form 23's need to be completed with the appropriate Instructors signatures and given to your advisor before you register. This is **VERY** important so we can put in any overrides and check all pre-requisites.

# CIT Pilot Course Sheet

- Please make sure and check the Pilot Course list.
- This will tell you whether the course listed fulfills a:
  - NET Selective or Information Systems Selective
- Be sure you select the appropriate course that fulfills what you need on your Plan of Study.
- Also, check the Pre-Requisites for the course and whether it needs a signature from the Instructor.
  - If you need consent from an instructor, you will need to complete a Form 23 and return to your advisor.

\*credit may be established in only 1 offering; you may take either the 29900/39900/49900/58100 version or the permanent course.

# Course Substitutions

- ECET 37400: If you have already taken CNIT 34200, 34500, or 34600 you will need to substitute with any 30000 level or higher CNIT course or IT 34500 or IT 54500. List ECET 37400 on Form 23A with “substitute” by it, so we know that is your substitute.
- For students who have not taken CNIT 34200, 34500, or 34600- you will **not** need a substitution for ECET 37400 because CNIT 34200, 34500, and 34600 have been changed to 4 credits each and will fulfill the ECET 37400 requirement.

# TECH Course Substitutions for students beginning prior to Fall 2013

- TECH 32000 is no longer offered
- TECH 33000 will be offered Fall 2015

# Course Substitutions for IST students beginning prior to Fall 2013

- Liberal Arts Selectives: Can be fulfilled by approved choices listed on the back of your Plan of Study and/or with Humanities course listed on the University Core Curriculum List:

<http://www.purdue.edu/provost/initiatives/curriculum/course.html>

- Interdisciplinary Selectives: Can be fulfilled by approved choices listed on the back of your Plan of Study OR approved minors (15 credits)

# Transfer Credit

- If you would like to take a course at another College or University that will transfer to the CIT plan of study, you must submit a Transfer Credit Request for approval at least **one month prior** to enrolling in the course. From the transfer credit database:

[https://selfservice.mypurdue.purdue.edu/prod/bzwtxcrd.p\\_select\\_info](https://selfservice.mypurdue.purdue.edu/prod/bzwtxcrd.p_select_info)

- Create a report and submit a screenshot from the Transfer Credit Database for approval to your advisor, via email or print a hard copy and take it to their office.
- Be sure to include the course or requirement you are seeking to fulfill.

# Distance Learning Courses

- Purdue offers Online courses that do not require Form 23's and you may sign up for them through myPurdue.
- Distance Learning courses are offered by other Universities as well. A list of these courses is available on the ICN website: <https://www.distance.purdue.edu/courses/ICN.asp>
  - These courses will require a completed Form 23 signed by your advisor and must be turned into the Distance Learning Office, located in Stewart Room G59.

# Study Abroad

- If you have been approved to Study Abroad through the Study Abroad Office, you will need to submit a "*Registration Confirmation Form*" to them in **YOUNG Room 105**. You must complete the "Study Abroad Course Approval Form" (Form 105) with your CIT advisor prior to leaving the country.
- You will be able to register yourself for Study Abroad courses during your registration time on [myPurdue](#).
- CIT Study Abroad to Germany with Professor Papapanagiotou.
  - See flyer and contact him if you are interested.

# Minors

- If you are completing a Minor it is **your responsibility** to take the correct courses to complete it. Write this minor on your Form 23A.
- You are allowed to use your minor towards the Interdisciplinary Selectives.  
\*\* Minors not allowed for Interdisciplinary Selectives, effective Fall 2015: Computer Science, Computer Graphics
- Minors are entered by your advisor, so be sure to tell your advisor.
- Make sure to monitor your GPA for the courses you are taking to complete your minor.
  - Many minors, if not all, require a minimum GPA requirement necessary to complete their minor.
- Please check myPurdue and see if your Minor is listed on your transcript.
  - If not, or you are wanting to cancel your minor, write that on your Form 23A.

# Entrepreneurship Certificate

- The purpose of the Certificate in Entrepreneurship and Innovation Program is to inspire and teach students in all disciplines to be innovators and entrepreneurs, whether they choose careers in start-ups or larger organizations. Through a series of five courses and related experiential programs, students learn the theory and practice related to starting and running new ventures, while turbo charging their degrees.
- **Eligibility**
  - The program is open to students in all majors, who have approximately four semesters remaining in their academic programs. Upon completion of the requirements, students receive an official certificate, which is also recorded on their academic transcript.
- **Program Requirements**
  - Students must take the equivalent of five, 3-credit courses in the following categories:
- Two Required Core Courses (6 credits)
  - ENTR 20000 Introduction to Entrepreneurship and Innovation
  - ENTR 31000 (formerly 201000) Marketing and Management for New Ventures (Pre-requisite ENTR 20000)
- Two Option Courses (typically 6 credits)
  - Option courses provide depth in specific disciplines or industries, which are relevant to entrepreneurship and innovation. Possible options include:
    - Select courses designated "option" from the Approved Course List available at [www.purdue.edu/entr](http://www.purdue.edu/entr).
    - Discovery Park Undergraduate Research Internship (DURI)
    - Approved global entrepreneurship study abroad programs
- One Capstone Course or Experience (typically 3 credits)
  - Capstones are designed to provide hands-on, real-world experience to students. This can include courses involving the development of a business plan or engagement with an early stage company. Possible capstones include:
    - Select courses designated "capstone" on the Approved List
    - Interns for Indiana Program (IfI)
- **Participation Process**
  - To begin Program participation, enroll in ENTR 20000 and discuss the Certificate Program with your Major Academic Advisor. A formal Completion Plan will be completed by students in ENTR 31000.

# Management 20010

- Management 20010 (Business Accounting) will be offered in the Summer and Fall. This course is for non-Management majors and minors.
- Students pursuing a Management Minor **MUST** take Management 20000 Introductory Accounting.

# Math

- MA 22300- No longer offered. You need to take MA 16010.
- To take MA 16010, you will need to score 75% or higher on the ALEKS test. You may need to study and retake ALEKS before you can register for MA 16010.
- MA 22400- No longer offered. You need to take MA 16020.
  - Pre-Req: MA22300 or MA16010

# OLS Courses

- You will not be allowed to sign up for OLS courses until **open registration**.
- You **must** list on your Form 23A the OLS course number. We will send these to the OLS advising office.
- OLS 38600 will only be offered to OLS students until open registration.
- OLS will add the override for OLS 37500,37600, 38600,47700, 48400.
  - You must meet the pre-reqs listed on the selective and override help sheet
- **In the mean time, register for another Business Economic Selective (NET) or Interdisciplinary Selective (IS).**

# FOREIGN LANGUAGE TEST OUTS FOR SPRING

# Overrides

- **Some courses require Overrides**

- **\*\*see Selectives and Override Help Sheet**

- **Pre-Req Overrides**

- IT45000

- If you took MATH 22100 and 22200 you will need a Pre-Requisite Override

- **College Override**

- Some colleges will require an override for students not in their college to take their courses.

- These colleges include:

- MGMT (some courses)
- OLS
- COM (some courses)

- **Credit Hour Override**

- If you are planning to take **more than 18 credit hours** for the semester, we will need to put in an **override** to allow you to do so.
- Please indicate this on the "Advisor Schedule Recommendation" Form

# Overrides

- Other overrides include:
  - Professor Permission Override for CNIT 49900/58100 courses
    - See Pilot Sheet
    - A signature from the Instructor is necessary for some courses
    - Fill out a Form 23 with the CNIT 49900/58100 course and CRN along with the Instructor's signature and turn into your advisor before your registration.

## Time Conflict Override

- If there is a time overlap of courses, it may be possible to get an override with the **permission and signature of the Instructor** whose course is overlapping. Form 23 must be signed and turned into your advisor.

# Overrides

- If you write down a course on the Form 23 and you have not met all the Pre-Requisites, you will not be able to sign up. It is your responsibility to request overrides from the professor.

# Override Requests

- All override requests must be turned into your advisor at least 48 hours prior to your registration. This is important because you will not be able to register for the classes you want unless we have put in the override request.
