

DEPARTMENT OF

COMPUTER GRAPHICS TECHNOLOGY

CREATOR. INNOVATOR. COMMUNICATOR. PROBLEM SOLVER.

Get ready to make an immediate impact!

In the Polytechnic's hands-on classes, you'll learn the fundamentals of creating computer graphics and how to put their many variations and capabilities to work to solve real-world challenges!

Choose the perfect computer graphics technology degree program for you.

- Animation and Visual Effects
- Building Information Modeling
- Data Visualization
- Digital Enterprise Systems
- Game Development and Design
- UX Design
- Web Programming and Design

DEPARTMENT OF

COMPUTER AND INFORMATION TECHNOLOGY

INNOVATOR. DEFENDER. PROBLEM SOLVER. LEADER.

Get ready to make an immediate impact!

In the Polytechnic's hands-on classes, you'll learn the fundamentals of network engineering and how to put your in-demand cyber skills to work to solve real-world challenges!

Choose the perfect computer and information technology degree program for you.

- Computer and Information Technology
- Computing Infrastructure and Network Engineering Technology
- Cybersecurity
- Data Analytics, Technologies and Applications (DATA)
- Systems Analysis and Design

Polytechnic Institute

SCHOOL OF

CONSTRUCTION MANAGEMENT TECHNOLOGY

LEADER. COMMUNICATOR. INNOVATOR. PROBLEM SOLVER.

Get ready to make an immediate impact!

In the Polytechnic's hands-on classes, you'll learn the business concepts and leadership skills required for vital management positions in today's fast-changing construction industry!

Choose the perfect construction management technology degree program for you.

- Construction Management Technology
- Design and Construction Integration

AVIATION AND TRANSPORTATION TECHNOLOGY

LEADER. COMMUNICATOR. INNOVATOR. PROBLEM SOLVER.

Get ready to make an immediate impact!

In the Polytechnic's hands-on classes, you'll learn the fundamentals of the aviation industry and how to put your unique talents to work to solve real-world challenges!

Choose the perfect aviation technology degree program for you.

- Aeronautical Engineering Technology
- Aerospace Financial Analysis
- Airline Management and Operations
- Aviation Management
- Professional Flight
- Unmanned Aerial Systems

ENGINEERING TECHNOLOGY

ENGINEER. PROBLEM SOLVER. COMMUNICATOR. LEADER.

Get ready to make an immediate impact!

In the Polytechnic's hands-on classes, you'll learn the fundamental theories of engineering and how to put them to work to solve real-world challenges!

Choose the perfect engineering technology major for you.

- Audio Engineering Technology
- Automation and Systems Integration Engineering Technology
- Computer Engineering Technology
- Electrical Engineering Technology
- Energy Engineering Technology
- Industrial Engineering Technology
- Mechanical Engineering Technology
- Mechatronics Engineering Technology
- Robotics Engineering Technology
- Smart Manufacturing Industrial Informatics
- Supply Chain and Sales Engineering Technology

DEPARTMENT OF

TECHNOLOGY LEADERSHIP & INNOVATION

LEADER. COMMUNICATOR. INNOVATOR. PROBLEM SOLVER.

Get ready to make an immediate impact!

In the Polytechnic's hands-on classes, you'll learn how to incorporate high-tech solutions that lead, change and innovate from the inside of the world's businesses, industries and classrooms!

Choose the perfect technology leadership degree program for you.

- Engineering-Technology Teacher Education
- Human Resource Development
- Organizational Leadership
