

Fall Recruiting Kickoff: Understand What It Takes to Become a Technical Support Engineer at Verkada

What to Expect at Verkada's Tech Talk

During our visit, join Verkada's Director of Technical Support, Will Minch, and Purdue Alumni, Shyam Merchant as they discuss how one of the Bay Area's leading technology companies is disrupting the physical security space.

You will also learn about:

- What it means to be a Technical Support Engineer at Verkada
- Transferable skills: Purdue Cyber Security and Network Engineering
- The wide range of physical security products Verkada offers
- The real-world cases that come up and how we solve them
- Live AMA to answer any of your questions
- Verkada's Internship and Full-time Opportunities

Join Us Virtually - August 30th at 7 p.m EST

- Sign up using [this](#) link!
- Join and you're automatically entered to win \$150 amazon gift card
